

BRANDY 5 ANNI

Over the years we have wisely selected small batches of fine wine. Our Brandy is born from the distillation of this selection, after aging in small 225-liter French oak barrels for five long years. It is presented in 2022 in 500ml and 100ml bottles.

The nose is rich in notes of vanilla, mint and licorice; on the palate, a truly surprising finesse and silkiness emerges, with a very light note of caramel in the finish.
